### **BACKGROUND**

A. This Supplement is being delivered in connection with that Trademark and Patent Security Agreement (the "Trademark and Patent Security Agreement") dated as of September 25, 2009 by Grantors in favor of Agent pursuant to which Grantors granted to Agent, for the benefit of Lenders, a lien on and security interest in all of Grantors' Patents and Trademarks (as defined therein).

B. Grantors have acquired certain additional trademarks and patents set forth on Schedule A attached hereto and made part hereof (collectively, "Additional Trademarks and Patents").

C. Grantors and Agent desire to execute this Supplement for the purpose of, inter alia, granting, ratifying and confirming Agent's lien on and security interest in the Additional Trademarks and Patents, as set forth more fully in the Trademark and Patent Security Agreement and for recording in the United States Patent and Trademark Office.

D. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Trademark and Patent Security Agreement.

NOW THEREFORE, with the foregoing Background hereinafter deemed incorporated by reference and made a part hereof, and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Grantors, intending to be legally bound hereby, covenant and agree as follows:

1. In consideration of and pursuant to the terms of the Loan Agreement and the Trademark and Patent Security Agreement, and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure the Obligations, Grantors grant a lien and security interest to Agent for the ratable benefit of Lenders, in all of their present and future right, title and interest in and to the Additional Trademarks and Patents and the registration thereof and the right (but not the obligation) to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits.

2. Schedule 1 to the Trademark and Patent Security Agreement is hereby supplemented by the information contained on Schedule A. All references to Schedule 1 contained in the Trademark and Patent Security Agreement shall be deemed, for all purposes, to also refer to and include Schedule A.

3. Except as expressly amended by this Supplement, all of the terms, conditions and provisions of the Trademark and Patent Security Agreement are hereby ratified and continue unchanged and remain in full force and effect.

4. This Supplement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature by facsimile or PDF shall also bind the parties hereto.
